Office of the President

September 2010

Dear Friend,

Once more we send to you our Annual Appeal, the only time we ask the support of all our partners in the work of serving the needs of God's people. You have been very generous to us in the past, and once again we call upon your help.

Each year we share with you a glimpse of what your donation helps us to do in God's vineyard. This year we are focusing on three of our Sisters and their places on the continuum of Time: Starting Time, Transition Time, Interrupted Time. Each event has caused us joy, but each in a different way. As you read the enclosed brochure, you will understand what we mean by this. Time is the thread, the commonality that weaves these accounts together.

This Annual Appeal is a very important and vital means of financial assistance for our Sisters as they give themselves to the mission of serving God's people. As educators and spiritual ministers we are challenging social and economic injustices in the world today and sharing the Gospel message with those in need, especially Black and Native American peoples across the United States and in Haiti. Times have changed in many ways, and still in many ways the needs are even more urgent today. This Appeal is an opportunity for you to participate in this work with us. We need your help now even more than in years past. It is Time!

Be assured of our gratitude for your prayers and support. Your intentions are remembered in the daily prayers of the Sisters.

Gratefully in Christ,

Sr. Patricia Suchalski
