

a season of
change.

**ARE YOU
READY?**

In the name of evangelization, **let's get ready!**

Sr. Mary Roger Thibodeaux, Evangelization Director

When my church needs me

~ to join a group in order to reach out to others.

~ to notice a good that is not being done for others.

~ to give my money to help others.

I want to be ready.

When my church leaders need me

~ to uphold their good names.

OR...

~ at least to balance the bad points with some good points!

I want to be ready.

When my church needs my voice

~ raised in protest of those who come to church only to find something to complain about.

~ to not be the one to crucify the ministers of Christ even if they are weak.

I want to be ready.

When God Himself is...

~ telling me to be a good neighbor... to reach out to others who are lonely, shy, or friendless.

~ urging me to be patient with those who look different or act differently from me.

~ pleading with me to go from here with a heart purer than when I arrived here today.

I want to be ready.

I want to be ready. How about you?

Our Thanksgiving to God!
