

# Evangelization & Summer

## Discover some of the blessings of summer:

### God of Summer, you came again to bless us!

Bless us with the joy of putting away heavy coats, scarves and boots!

Bless us with the freedom to spend more time with our family & friends.

Bless us with being able to walk without fear of ice, and not having to remove snow from the car in the morning!

**God of Summer, thank you, thank you, and thank you!**

## Let the heat of summer ignite the flame of Your love in our hearts!

### God of Summer, warm our hearts so that we will:

- Smile at everyone we see.
- Speak to everyone we meet.
- Share something with others.
- Pray with family often.
- Attend Mass with family.
- Visit sick friends at home.
- Work in shelters.
- Bring children to a park.
- Share bible stories with all.
- Volunteer for a summer camp.
- Bring small groups to an afternoon movie on hot days.
- Relax and go out for ice cream with those who rarely go anywhere!

**Let God Shine through You!**

## Ways to Let God Shine Through You This Summer:

- It is summer – I can teach a child to feel the happiness of learning to swim.
- I can spend more time visiting seniors now that darkness comes later.
- Let us be willing to bring others to the park to simply sit, watch, and thank God for the blessings that surround us.
- We can take others to see concerts, movies, or shows in the park.
- Let us have a small gathering in a home – and each thank God for some of the blessings that summer has brought into our lives this year.
- God wants us to take time to bring others on a nice ride along the water. Ask each person to create a prayer of thanks for the calming waters.

**Quietly reflect on these ideas, and add some of your own ideas to the list!**

**Let the summer evangelization begin!**
