

## SBS Center for Evangelization

### *Pentecostal Evangelization 2021*

Look for the Holy Spirit in the smiling faces of children, co-workers, family, and friends whether at work, play, in church, or attending an event.

Look for guidance of the Holy Spirit to help you reach out and help others.

Look at how the Holy Spirit can help you to see what you can do to further God's plan for our world.

Look at your life. Let us all try to have a Pentecost in our own lives.

*Spirit of God, come to me, help me, and fill me with zeal for making this world a better place in which to live.*
