

EVANGELIZATION

INSIDE & OUTSIDE OF THE CLASSROOM

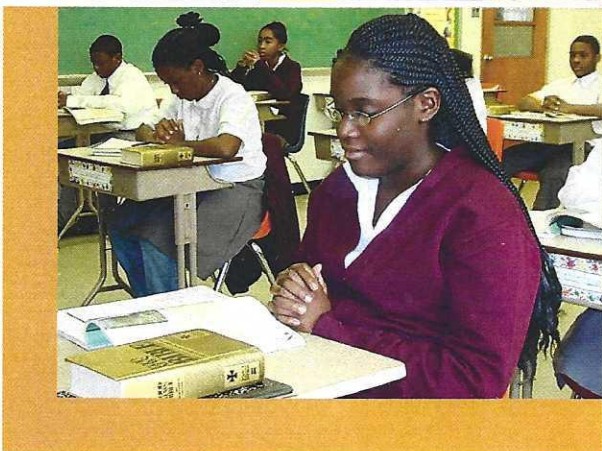

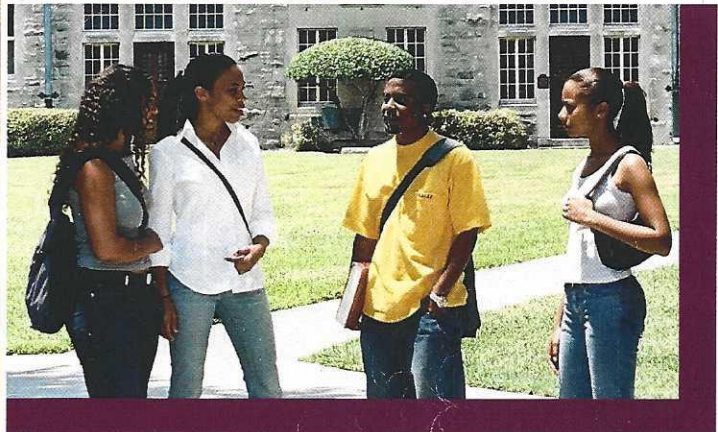

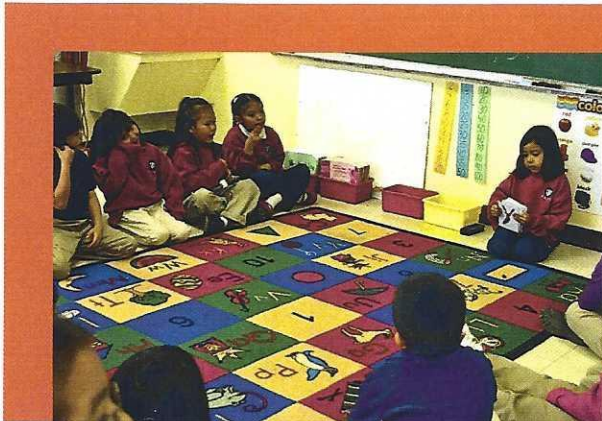

Let us show children how to pray and speak to God within themselves and out loud.

Our great God is made happy when students bless themselves when they enter church and before praying.

Encourage wearing a medal to school.

It is inspiring to see young athletes saying a prayer before starting a game.

God so loves children!

In Catholic School classrooms of all ages - take a little time to look at the crucifix and thank God for giving us so much.

Educators - Remind our children to be kind to their fellow students.

God delights in seeing students give respect to their teachers. Pray for those teachers and all who work in the school.

Parents should be prepared daily for doing and giving so much.

Pray for safety while participating in activities, riding school buses, and attending classes.

Students everywhere: **Pray, Pray & Pray!**
