Christmas Novena

December 16-24

Ever-living God,
through this Advent Season
let us be reminded of Your
great love for us. May the
radiance of that love shine upon
us each day and fade away
any darkness in our
minds & hearts.

Prepare our hearts to
receive the light of Your Son,
Jesus Christ, the Savior of the world,
who renews all things through
Your heavenly power.

May the Spirit of Light & Love
reside in each of our hearts
casting away the darkness of sin
and renewing our souls with the
light of Your truth & justice.

Shine down upon us, Lord.
May Your light shine through us
so that we may become a light to others,
leading the way back to You.
Amen.
